

Wounded Veterans Relief Fund Running For Heroes 5K

Saturday, April 22, 2023

Riverbend Park (Jupiter, FL)

The 8th Annual Wounded Veterans Relief Fund Running For Heroes 5K is a great way for you to create brand awareness for your company! We need your help because our veterans need ours!

Why Should You Sponsor this event?

Many service members leaving the military have a hard time transitioning into civilian life. Not only are they faced with the challenges of their visible and unseen injuries, they are overwhelmed with trying to navigate their way into the civilian workforce and can experience financial difficulties when trying to provide for themselves and their families. Every year 1.4 million veterans are at risk of homelessness or have been intermittently homeless, and according to the 2020 Florida Council on Homelessness, there were 2,472 homeless veterans in 2019. Wounded Veterans Relief Fund exists to provide emergency financial support, homelessness prevention and housing solutions for our homeless veterans. Our mission is to save lives and keep families together. This event raises much needed funds to help Florida's wounded veterans.
