

BATTLEFIELD BRIEF

Rallying Support for a Year of Impact!

Across the state, veterans who fought for our freedom are now fighting for survival—struggling with dental emergencies, homelessness, and urgent financial needs. The demand for help is at an all-time high. In 2025, WVRF is committed to raising \$3 million—our most ambitious goal yet—to serve more veterans and families than ever before.

This funding will support WVRF's key programs:

Urgent Financial Assistance (UFAP): Providing critical relief for rental and mortgage payments, utilities, gas, car payments, insurance, and even temporary childcare to keep veterans and their families stable.

Critical Dental Assistance Program (CDAP): Offering free care for acute dental emergencies, treatment for infections, dentures, implants, bridges, and more—restoring health, confidence, and dignity.

Together, we will make 2025 the year we deliver on our promise to our heroes. Their sacrifices demand nothing less.
