Cheers to Tito's Handmade Vodka!

We are incredibly grateful to our friends at Tito's Handmade Vodka for their generous support of Wounded Veterans Relief Fund and Florida's veterans.

As part of their annual Giveback campaign, Tito's donated $5,000 to directly support our mission of helping wounded and disabled veterans in need.

But they didn't stop there. The Tito's team also came together to pack 1,000 dental kits for veterans, ensuring those we serve have access to essential care items many of us take for granted.

This hands-on effort shows the heart behind their brand and the genuine commitment they have to making a difference.

Thanks to Tito's Handmade Vodka, these kits

and funds will go a long way toward improving the health, dignity, and quality of life for the veterans we proudly serve.

From all of us at WVRF, thank you, Tito's, for standing with our heroes!

"My life has completely changed thanks to WVRF's dental program and the incredible care I received from Dr. Schmidt at Seaglass Dental. For years, I was embarrassed to smile, but now I can't stop. Thank you, Dr. Schmidt, Seaglass Dental, and WVRF for giving me back my confidence and my happiness."

Wounded Veterans Relief Fund is growing and so is the amount of veterans in need!

The demand for assistance is overwhelming, and we are now forced to close applications in the first week of each month due to limited funding.

Without recurring donations, we can't continue to serve the veterans who rely on us.

Join our mission and show your patriotism by committing to a monthly donation. With just $25 each month, you can help provide life-changing care and essential assistance to those who bravely served our country.

Together, we can ensure no veteran is left behind.
