A NOTE FROM OUR EXECUTIVE DIRECTOR

MIKE DURKEE

U.S. ARMY COMBAT PILOT
WVRF EXECUTIVE DIRECTOR

Dear Friends,

Every day, Florida's wounded and disabled veterans face challenges most of us cannot imagine. These brave men and women, who once stood on the frontlines for our freedoms, now struggle with urgent financial crises and critical healthcare needs, including life-changing dental care.

At Wounded Veterans Relief Fund, we're here to bridge that gap—but we can't do it alone. Community support is the lifeblood of our mission. Your generosity allows us to provide the urgent financial assistance and vital dental care that Florida's veterans need to rebuild their lives and regain hope.

Florida is home to over 1.5 million veterans, many facing overwhelming challenges. Your

support ensures these heroes are not forgotten, that they receive the help they deserve when they need it most. Together, we can honor their sacrifices and make a lasting impact in their lives. Thank you for standing with Florida's veterans. Your partnership saves lives.
